ABOUT ME

I am a highly motivated and passionate Quality Assurance with great interest in new challenges and opportunities in order to grow professionally. I am a continuous testing advocate, customer and result oriented. I'm not afraid to push the boundaries and get creative in order to get the results my squad, project or company wants to achieve.

For my next professional journey, I'm looking for a company where I can challenge myself, a place where I can keep learning and developing my professionals and personal skills, a place where I can engage with and make the company goals my own goals.
